PROGRAM

Step up to
success.

Reach new heights!

The closer you get to Diamond, the more critical your brand of leadership becomes. So, starting the day you reach Gold Executive level, the opportunity is yours to join with corporate and field leaders for a global event that will help you hone the skills you need to take your business to new heights. Ascent is all about building strategy and giving you tools to build a bigger, better business.

Bring a guest or be the guest—either way, you can attend Ascent one time. You'll take an in-depth tour of ASEA's production facility, gain specific training on reaching Diamond, and enjoy a one-of-a-kind experience where nature will be your guide.

This is leadership training at its finest—away from the daily hustle and bustle of building your business. It's a place where you can network, reflect, and find inspiration.

PROGRAM

EVENT DETAILS

Ascent begins with an in-depth tour of the ASEA production facility, where you will see firsthand how our groundbreaking products are made. You'll also build skills to help you reach Diamond and take part in experiential training.

REGISTRATION

Once you have met the qualifications and provided you have not previously attended Ascent either as a qualifying associate or as a guest, you will receive an e-mail invitation from the Events and Recognition department with registration instructions.

Registration will close on September 9, 2016.

Admission to this event is non-transferable. You will receive no cash or any equivalent compensation if you cannot attend. However, you may defer to the next Ascent trip as long as you stay active through the qualification period.

TRAVEL

ASEA will cover the costs of your economy airfare from a major airport and transportation to and from the hotel. After you have registered, ASEA's travel company will reach out to you to book your economy airfare. For any airfare not booked by September 16, 2016, you will be responsible for paying the difference between the price on September 16 and the date of booking.

ACCOMMODATIONS

Your registration also covers the cost of one hotel room for three nights, meals, entertainment, and training at the event. You will be responsible for any costs associated with getting to and from the airport in your hometown and any meals incurred while traveling.

ASEA will make your hotel reservation for three nights when you register, with a check-in date of October 3, 2016,

and checking out October 6, 2016. If you choose to extend your stay or require more than one hotel room, please contact the hotel directly.

GUESTS

Your qualification includes a trip for two people (you and one guest). Your guest can be anyone over the age of 18. Please note that you will only receive one hotel room. If you would prefer two separate rooms, you will need to cover the cost of the additional room.

We recommend that you choose a co-applicant or significant other as your guest as opposed to a downline member. Please be aware that while you may bring a member of your downline, this trip will count as their one lifetime Ascent experience as well as yours and will not reset when that associate personally qualifies for Ascent. Once any associate has attended Ascent, whether as a qualifier or as a guest, that attendance fulfills the one-time Ascent attendance cap.

MEALS

ASEA will provide the following meals:

Day 1: Dinner (room service)
Day 2: Breakfast, lunch, dinner
Day 3: Breakfast, lunch, dinner
Day 4: Breakfast

INTERPRETATION

This event includes simultaneous interpretation in Spanish and German.
