Terms & conditions

- The Get 1 Free sale is open to all associates and preferred customers in all ASEA markets excluding the Philippines. Because global supply chain shortages have affected our shipments to the Philippines, the Get 1 Free sale will be postponed in that market. A market-specific announcement will be sent to ASEA associates in the Philippines when the promotion period has been established.
- Sale prices begin 15 November 2021 at 12:01 am US Mountain Time and end 17 December 2021 at 11:59 pm US Mountain Time.
- The flagship ASEA product is not available for this promotion in Thailand.
- In Australia only, all RENUAdvanced Skin Care system purchases include one unit of cleanser and two units of serum due to a local discontinuation to our moisturizer.
- The RENUAdvanced™ Skin and Body Care system and ASEA™ VIA products are not included in this sale.
- Free product carries no personal volume (PV).
- The Get 1 Free sale places no limit on the number of orders an associate or preferred customer can place. However, only one of each promotional product may be included per order. Example: a single order may contain a maximum of one of each promotional bundle (three cases of our flagship ASEA™ product, two cases of RENU28™ gel, and two RENUAdvanced™ Skin Care systems with their respective free products). A separate order must be placed for additional promotional bundles.
- In order for a product order to qualify for the Get 1 Free sale, the purchasing associate or preferred customer must click the Get 1 Free icon to enter the shopping cart. Free product will automatically be bundled with the ordered product.
- Normal shipping rates apply.
- On-demand orders only.
- ASEA, LLC in its sole discretion, may disqualify any candidate from participating in the promotion.
- ASEA, LLC reserves the right to modify the terms and conditions of the promotion as it sees fit.
- In order to receive a full refund on products ordered as part of the Get 1 Free sale, all products received must be returned, including free products received. If free product is not returned with the order, the value of that product will be deducted from the refund given.
- The sale of ASEA products in online shops and marketplaces is strictly prohibited. Any ASEA associate found to be engaging in unauthorized online sales is subject to disciplinary sanctions up to and including termination. All orders may be audited to verify legitimacy.
