Earn your prize

Each Ascent prize package is based on two types of sales volume.* Keep one eye on both—and keep the other eye on your prize!

Personal enrollment volume

Volume from the enrollment orders of an associate's new personally sponsored associates and preferred customers is totaled during the qualification period to fulfill prize requirements.

Volume will only be counted on associate enrollment orders with a minimum of 100 volume points (50 for preferred customer orders) and must include a subscription template.

The maximum volume from a single enrollment order that may be counted toward prize qualification is 1,000.

*Unlike prize packages one through four, to earn the fifth prize, associates must reach 1,500 points in new enrollment volume as well as 13 out of 26 weeks paid at lifetime rank (Bronze+). Note: The 13-week requirement does not need to be earned consecutively.

PGV3: Personal group volume, three levels

The first three levels of your personal sponsorship tree are key to earning Ascent prizes. To start qualifying, you'll need to increase your PGV3 by 15,000 points over your basis PGV3 (your total PGV3 during the 26-week period directly before the start of the qualification period).
