Cell Performance REDOXMood

Performance that's
Powered by Redox™

Take on your next big challenge with our Cell Performance products and achieve more than ever before. REDOXMood uses a healthy and effective blend of nootropics, adaptogens, and select Powered by Redox ingredients that will give you a more balanced mood. Decades of redox research have been leveraged to support your brain cell's performance so you can more easily tackle the occasional fatigue, anxiety, and stress that catches up to all of us.

We power potential™

Breathe in, breathe out

Find your inner balance with REDOXMood and seize the day with confidence. REDOXMood can help you separate yourself from external stressors and find balance from within. Find peace of mind and a positive outlook, while taking on the day with calm confidence. The body needs a certain amount of stress to work optimally—REDOXMood supports the balance of stress so you can feel and perform your best.*

Feel the power of calm

Uplifts

Involved in production of important neurotransmitters that help regulate hormones and uplift mood.

Relaxes

Helps to promote calmness by shifting your brain and body into a lower, more relaxing mode.

Regulates

Helps regulate receptors in the central nervous system to balance redox states.

De-stresses

Improves sleep quality, lessening anxiety and mental stress.

Cell Performance

REDOXMood

Ingredients

The science of relaxation behind REDOXMood

Feel calm and balanced anytime with the REDOXMood's proprietary ingredient blend that helps your body's performance.* ASEA's Cell Performance products have been developed based on carefully selected ingredients, so we don't have to rely on artificial additives. In a three-week consumer testing study conducted by Kantar Group 2022:

- 81% experienced more relaxation.
- 80% experienced an improved mood.
- 77% felt REDOXMood helped them stay cool and calm.

Anytime, anywhere!

Ingredients that support cellular performance™

GABA and L-Tyrosine

Ingredients like GABA and L-Tyrosine enhance neurotransmitter levels, support mood regulation, and improve redox balance.

Rhodiola Rosea and Ashwagandha

Help your body regulate stress hormones to create a feeling of relaxation.

Affron®

Fights stress and anxiety, promotes better sleep, and minimizes hot flashes and night sweats in women experiencing perimenopause feelings.

Pure and simple

No artificial flavors, colors, sugars, or preservatives.

Gluten-free

Dairy-free

Soy-free

GMO-free

No added sugar

Keto friendly
