# ASEA FAST 4WARD CHALLENGE RULES

## ELIGIBLE PARTICIPANTS

Associates in any open ASEA Europe market may participate in Fast 4ward.

## STARTING THE FAST 4WARD CHALLENGE

To start your Fast 4ward challenge, visit your ASEA virtual office, click on the Fast 4ward banner, and follow the prompts to begin your 14-day challenge period. Once you begin your challenge, you can't pause or restart. You have 14 days to complete the challenge.

You can complete as many Fast 4ward challenges as you want, beginning a new one every 14 days. You may start your next Fast 4ward challenge the day after the current one runs its full 14 days. The cycles cannot overlap.

You may start your Fast 4ward challenge any day of the week. You may choose the current date or back-date your opt-in by up to 72 hours, allowing you to count preferred customers or associates who have recently joined. Your start date may not overlap your current Fast 4ward challenge with a previous Fast 4ward challenge.

## CHALLENGE REQUIREMENTS

**Within your 14-day challenge period, you must:**

- Grow your business by registering a minimum of four new preferred customers with your customer base or new associates with your team of business builders, each with a minimum first order of 100 promo points and a minimum 100 promo-point autoship.
- Achieve a minimum cumulative 800 promo points from new first order volume.

**You can go for more rewards with the Fast 4ward Plus challenge, which gives you 14 days to:**

- Grow your business by registering a minimum of eight new preferred customers with your customer base or new associates with your team of business builders, each with a minimum first order of 100 promo points and a minimum 100 promo-point autoship.
- Achieve a minimum cumulative 1200 promo points from new first order volume.

All preferred customers and associates with qualifying first orders on or after the calendar day you start your Fast 4ward challenge and all first order PV tied to those new clients will count toward your Fast 4ward qualification.

Promo points are valued at 1 PV = 2 promo points for preferred customers; 1 PV = 1 promo point for associates.
