# TRANSFORM YOUR SKIN ■

It's not another face cream. It's a multipurpose skin-priming, age-fighting, cellular-rejuvenating gel for your whole body. Don't settle for the beauty routines of yesterday. Transform your skin from within, with **RENU28**® Revitalizing Redox Gel. Skin care upgrade complete.

## YOUR BODY CREATES, RENU28® REJUVENATES

Skin's natural ability to renew itself declines over time. The result is visibly aging skin. RENU28® Revitalizing Redox Gel is revolutionizing the way we think about skin care.

Daily application of RENU28 encourages 28 days of surface skin cell turnover for tighter and more nourished skin from head to toe.

Over 28 days, clinical tests showed visible improvements.

improvement  
in surface skin  
cell renewal

improvement  
in skin texture

increase in  
skin smoothness

increase in  
skin elasticity

improvement in  
the appearance of  
cellulite

RENU28 has earned the coveted 5-star clinically tested seal, the highest possible commendation for safety and efficacy, from dermatological research institute Dermatest®.

RENU28 adds smoothness, evens texture, and soothes and cools skin anywhere on the body.

Individual results may vary.

RENU28® IS  
FOUNDATIONAL  
SKIN TECHNOLOGY  
AT ITS BEST.

## FULL-BODY BEAUTY THAT STARTS IN YOUR CELLS

ASEA's patented process produces the redox molecules in RENU28®, which support communication at the cellular level and help improve the healthy, youthful appearance of skin.

This smooth, all-over gel supports surface skin cell renewal for visibly younger-looking skin and helps reduce the appearance of cellulite and wrinkles, calms red and dry skin, and eases temporary muscle discomfort.

# MORE POWER TO YOUR SKIN

## REDOX IS ENERGY THAT POWERS ALL LIFE.

As the first company to promote the power of redox for cellular health, ASEA® has created a proprietary process that produces redox signaling molecules. In fact, RENU28® Revitalizing Redox Gel is third-party certified to contain redox molecules with cellular benefits.

Our patented products are based on decades of redox biochemistry research. And, for 10 years, we have been redefining health and wellness with meaningfully different products—products with redox molecules that are natural to the human body and that work to support vital cellular functions.\*

Unbeatable skin begins with the redox signaling molecules that are in every tube of RENU28®.

**BioAgilytix**  
LABORATORIES  
**REDOX CERTIFIED**

RENU28 is produced in an FDA-registered, NSF-certified facility and is certified by an independent third-party lab to contain active redox signaling molecules.
