

# ALOE BARBADENSIS LEAF JUICE

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A natural, clear, thick juice pressed from the succulent leaves of the aloe plant.

#### **FUNCTION**

Calms, soothes, and conditions skin.

# **ORIGIN**

Aloe barbadensis plant.

# **PURITY**

Free of additives.

Globally approved for topical use.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

177 recent products contain this ingredient.

# WHY IS IT USED?

Aloe is one of nature's most versatile healing plants. It is used for a myriad of benefits for the skin and the hair.

#### **NOTES**

Historically, aloe has been used for hundreds of years to improve healing and soothe inflammation.

# CITRULLUS VULGARIS FRUIT EXTRACT

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

Commonly known as watermelon. This water-based, natural extract is combined with apple and lentil extracts in this formula.

# **FUNCTION**

The extract blend (apple, watermelon, and lentil) provides natural moisturizing factors (NMF), including oil-free moisture and up to 24 hours of hydration.

#### **ORIGIN**

Extracted from watermelon (Citrullus vulgaris) fruit.

# **PURITY**

Free of additives.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

53 recent products contain this ingredient.

#### WHY IS IT USED?

Long-lasting, balanced hydration for more youthful-looking skin.

# **GLYCERIN**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

Derived from vegetables commonly used in foods and skincare products. It is a common byproduct in the natural soap-making process. Also known as glycerol since it is a naturally occurring alcohol compound. It is NOT a drying alcohol. It is a mostly clear, thick liquid.

# **FUNCTION**

Humectant to attract water and keep skin hydrated. Skin conditioner.

#### **ORIGIN**

Vegetable or seaweed origin.

# **PURITY**

Free from antioxidants and other stabilizing additives. Approved for use in NSF/ANSI Standard 305 certified products. EWG's Skin Deep classified as overall low possible hazardous (2). 12,752 recent products contain this ingredient.

#### WHY IS IT USED?

Oil-free moisturizer. Leaves skin soft but not greasy.

# LENS ESCULENTA FRUIT EXTRACT

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

Commonly known as lentil. This water-based, natural extract is combined with apple and watermelon extracts in this formula.

# **FUNCTION**

The extract blend (apple, watermelon, and lentil) provides natural moisturizing factors (NMF) including oil-free moisture and up to 24 hours of hydration.

#### **ORIGIN**

Extracted from lentil (Lens esculenta) fruit.

# **PURITY**

Free of additives.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

53 recent products contain this ingredient.

#### WHY IS IT USED?

Long-lasting, balanced hydration for more youthful-looking skin.

# **PYRUS MALUS FRUIT EXTRACT**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

A water-based, natural extract including starch from apples. It is combined with watermelon and lentil in this formula.

# **FUNCTION**

The extract blend (apple, watermelon, and lentil) provides natural moisturizing factors (NMF) including oil-free moisture and up to 24 hours of hydration.

#### **ORIGIN**

Extracted from unripened apple fruit and apple skin (Pyris malus).

# **PURITY**

Free from additives.

Sulfate free.

EWG's classified as overall lowest possible hazardous (1).

324 recent products use this ingredient.

#### WHY IS IT USED?

Long-lasting, balanced hydration for more youthful-looking skin.

# **NOTES**

The apple tree was perhaps the earliest tree to be cultivated, and apples have remained an important food in all cooler climates.

# **ACER SACCHARUM EXTRACT**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

Commonly known as sugar maple or rock maple. This water-based, natural extract is combined with sugar cane, bilberry, lemon, and sweet orange extracts in this formula.

# **FUNCTION**

This blend of extracts are natural alpha hydroxy acids (AHA). These ingredients have been shown to promote smoother, more radiant skin by increasing the rate of cell renewal.

#### **ORIGIN**

Water extracted from sugar maple (Acer saccharum).

# **PURITY**

Free of additives.

Natural Product Association certified.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

138 recent products contain this ingredient.

#### WHY IS IT USED?

New research suggests that natural AHAs provide superior benefits over synthetic versions.

# **NOTES**

Sugar maple is a species of maple native to the hardwood forests of eastern Canada and the northern parts of the Central and eastern United States. Sugar maple is best known for its bright fall foliage and for being the primary source of maple syrup.

# CITRUS AURANTIUM DULCIS FRUIT EXTRACT

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

Commonly known as sweet orange. This water-based, natural extract is combined with sugar cane, bilberry, sugar maple, and lemon extracts in this formula.

# **FUNCTION**

This blend of extracts consists solely of natural alpha hydroxy acids (AHA). These ingredients have been shown to promote smoother, more radiant skin by increasing the rate of cell renewal.

#### **ORIGIN**

Water extracted from sweet orange (Citrus aurantium) fruit.

#### **PURITY**

Free of additives.

Natural Product Association certified.

Not treated with DMBA or urethane.

EWG's Skin Deep classified as overall low hazardous (2).

157 recent products contain this ingredient.

#### WHY IS IT USED?

New research suggests that natural AHAs provide superior benefits over synthetic versions.

# CITRUS MEDICA LIMONUM EXTRACT

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

Commonly known as mediterranean lemon. This water-based, natural extract is combined with sugar cane, bilberry, sugar maple, and sweet orange extracts in this formula. We use a very small amount of this pure extract, since lemon is quite potent.

# **FUNCTION**

This blend of extracts consists solely of natural alpha hydroxy acids (AHA). These ingredients have been shown to promote smoother, more radiant skin by increasing the rate of cell renewal.

# **ORIGIN**

Water extracted from lemon (Citrus medica limonum).

#### **PURITY**

Free of additives.

Natural Product Association certified.

Not treated with DMBA or urethane.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

327 recent products contain this ingredient.

### WHY IS IT USED?

New research suggests that natural AHAs provide superior benefits over synthetic versions.

# SACCHARUM OFFICINARUM EXTRACT

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

Commonly known as sugar cane. This water-based, natural extract is combined with bilberry, sugar maple, lemon, and orange extracts in this formula.

# **FUNCTION**

This blend of extracts consists solely of natural alpha hydroxy acids (AHA). These ingredients have been shown to promote smoother, more radiant skin by increasing the rate of cell renewal.

#### **ORIGIN**

Water extracted from sugar cane (Saccharum officinarum).

#### **PURITY**

Free of additives.

Natural Product Association certified.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

327 recent products contain this ingredient.

#### WHY IS IT USED?

New research suggests that natural AHAs provide superior benefits over synthetic versions.

# VACCINIUM MYRTILLUS EXTRACT

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

Commonly known as bilberry or European blueberry. This water-based, natural extract is combined with sugar cane, sugar maple, lemon and sweet orange extracts in this formula.

# **FUNCTION**

This blend of extracts consists solely of natural alpha hydroxy acids (AHA). These ingredients have been shown to promote smoother, more radiant skin by increasing the rate of cell renewal.

#### **ORIGIN**

Water extracted from bilberry (Vaccinium myrtillus).

#### **PURITY**

Free of additives.

Natural Product Association certified.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

320 recent products contain this ingredient.

#### WHY IS IT USED?

New research suggests that natural AHAs provide superior benefits over synthetic versions.

#### **NOTES**

Vaccinium myrtillus is a species of shrub with edible fruit of blue color. It has much in common with the American blueberry.

# COCAMIDOPROPYL HYDROXYSULTAINE

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A natural, sulfate-free cleansing ingredient.

#### **FUNCTION**

Mild cleansing foam with excellent pH.

# **ORIGIN**

Naturally derived from the fatty acids of coconut oil.

#### **PURITY**

Free from additives.

Sulfate free.

USDA biopreferred.

EWG's Skin Deep classified as overall lowest possible hazardous (1). 327 recent products use this ingredient.

#### WHY IS IT USED?

Safer and less likely to irritate skin than traditional cleansing agents.

#### **NOTES**

This ingredient is used in skincare products made for Whole Foods company. Commonly used in baby shampoo.

# **COCO GLUCOSIDE**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A natural cleanser (surfactant) made from coconut.

#### **FUNCTION**

Helps cleanse skin while improving moisture and softness.

# **ORIGIN**

Coco = coconut Glucoside = glucose (sugar)

Created by combining coconut oil derived ingredients and glucose.

# **PURITY**

Free from additives.

PEG and nitrogen free.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

ECOCERT and COSMOS certified.

# WHY IS IT USED?

Mild, sulfate-free cleansing.

#### **NOTES**

752 recent products use this ingredient. This ingredient is used in skincare products made for Whole Foods company.

# HAMAMELIS VIRGINIANA WATER

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

Commonly known as witch hazel. This liquid is a natural astringent.

#### **FUNCTION**

Conditions and tones skin, improves pH, and acts as a mild astringent.

# **ORIGIN**

Steam-distilled from bark and leaves of the Hamamelis virginiana plant.

#### **PURITY**

Free of additives.
Globally approved for topical use.
EWG's Skin Deep classified as overall lowest possible hazardous (1).
225 recent products contain this ingredient.

#### WHY IS IT USED?

Supports cleansing with mild astringent properties. Calms and tones skin.

#### **NOTES**

Native Americans used extract of witch-hazel extensively for medicinal purposes. They produced witch hazel extract by boiling the stems of the shrub which was used to treat swelling, inflammation, and injuries. Early Puritan settlers in New England adopted this remedy from the natives, and its use became widely established in the United States.

# **FRUCTOSE**

# **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

Fruit sugar.

# **FUNCTION**

Helps cleanse and condition skin and act as a humectant.

# **ORIGIN**

Fruit sugar.

# **PURITY**

Free from additives.

EWG's Skin Deep classified as overall lowest possible hazardous (1). ECOCERT and COSMOS certified.

# WHY IS IT USED?

Gently boosts cleansing ingredients.

# POTASSIUM OLIVOYL LAUROYL WHEAT AMINO ACIDS

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

A nourishing, natural cleanser (surfactant) made from olive, coconut, and wheat.

#### **FUNCTION**

Helps cleanse skin while improving moisture and softness.

# **ORIGIN**

Potassium = salt
Olivoyl = olive oil fatty acids
Lauroyl = coconut fatty acids
Wheat amino acids = building block for protein

#### **PURITY**

Free from additives.

Gluten free.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

ECOCERT and COSMOS certified.

#### WHY IS IT USED?

Mild, sulfate-free cleansing.

# **NOTES**

Wheat amino acids are formed by hydrolysis and complete breakdown of wheat protein into its constituent amino acids. These elemental molecules attract moisture, improve flexibility, and condition skin. As simple molecules, pure amino acids CANNOT trigger immune reactions.

# SODIUM COCOYL AMINO ACIDS

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A skin-conditioning, natural cleanser (surfactant) made from coconut.

#### **FUNCTION**

Helps cleanse skin while improving moisture and softness.

# **ORIGIN**

Soduim = salt Cocoyl = Coconut oil fatty acids Amino acids = building blocks for protein

# **PURITY**

Free from additives.

Gluten free.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

ECOCERT and COSMOS certified.

# WHY IS IT USED?

A gentle, natural cleanser. It's a great alternative to harsh sulfates.

# SODIUM OLIVOYL GLUTAMATE

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

A natural cleanser (surfactant) from olive and sugarcane.

#### **FUNCTION**

Gently cleanses while protecting moisture.

# ORIGIN

A combination of extra-virgin olive oil pressed from the pulp of *Olea europaea* and glutamic acid from sugarcane.

# **PURITY**

Free from additives.

PEG free.

Gluten free.

ECOCERT certified.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

#### WHY IS IT USED?

Gentle cleansing with mono-unsaturated oil.

# **NOTES**

Extra-virgin olive oil is obtained by cold pressing of the pulp of fruits of Olive (*Olea europaea*), a species of small tree of the family Oleaceae, native to the coastal areas of the eastern Mediterranean and successively cultivated in the Mediterranean area. Its stone fruit, the olive, is of major agricultural importance in the Mediterranean region as the source of olive oil.

# **SODIUM PCA**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A naturally derived amino acid (proline). It is combined with olive, coconut, and wheat fatty acids in this formula.

#### **FUNCTION**

Considered a natural moisturizing factor (NMF) to maintain healthy skin. It attracts moisture from the air.

# **ORIGIN**

Sodium = salt PCA (Pyroglutamic acid) = amino acid proline Amino acids are the building blocks for protein.

#### **PURITY**

Free from additives.

Gluten free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

ECOCERT and COSMOS certified.

# WHY IS IT USED?

Supports mild cleansing and helps maintain natural moisturizing factors (NMF).

# **NOTES**

Used in over 1,000 skincare products.

# **COCAMIDOPROPYLAMINE OXIDE**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A transluscent liquid foaming ingredient with excellent conditioning properties.

#### **FUNCTION**

Mild cleansing ingredient.

# **ORIGIN**

This ingredient is made from coconut oil, an oil extracted from the dried inner flesh of coconuts. The coconut oil is reacted with an intermediate and hydrogen peroxide.

# **PURITY**

Free from additives.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

82 recent products use this ingredient.

#### WHY IS IT USED?

Safer and less likely to irritate skin than traditional cleansing agents.

# **ETHYLHEXYLGLYCERIN**

# **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A clear liquid that inhibits bacteria growth.

# **FUNCTION**

Helps ensure product purity. It is also a mild humectant.

# **ORIGIN**

Synthesized from vegetables.

# **PURITY**

Free of additives.

Globally approved for topical use.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

2,597 recent products contain this ingredient.

# WHY IS IT USED?

Antimicrobial suitable for sensitive skin.

# **FRAGRANCE**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

An exclusive fragrance blend designed enhance the natural elements in the product.

#### **FUNCTION**

Pleasant experience. Communicates key ingredients through scent.

# **ORIGIN**

Made up of volatile compounds found in plants (usually in essential oils), either botanically derived or nature-identical. This blend includes elements of citrus, fruit extracts, jasmine, and lavender

# **PURITY**

Free from additives.

No dispersants.

EWG's Skin Deep classified as overall low possible hazardous (3).

16,671 recent products contain some type of fragrance.

#### WHY IS IT USED?

Positive product experience.

# **NOTES**

The term "natural" is very flexible and has no legal or regulatory definition. Without a clear definition, ASEA does not use the term in conjunction with products or ingredients.

# **GLYCERYL OLEATE**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

This creamy white ingredient is a blend of glycerin and oleic acid (omega-9 essential fatty acid).

# **FUNCTION**

An emollient that softens and moisturizes skin.

# **ORIGIN**

Vegetables. Both glycerin and oleic acid are vegetable derived.

# **PURITY**

Free from additives.

EcoCert vegetable-based and renewable emulsifier.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

558 recent products contain this ingredient.

# WHY IS IT USED?

Earth-friendly moisturizing ingredient.

# **HYDROXYACETOPHENONE**

#### **PRODUCT**

RENU Advanced Ultra Replenishing Moisturizer RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

This nature-identical ingredient is found in the needles of the Norway spruce. It is a faint-yellow liquid with soothing effects on skin.

# **FUNCTION**

Helps keep liquids stable. Exhibits antioxidant and soothing properties.

# **ORIGIN**

Derived from piceol, a phenolic compound found in the needles and in mycorrhizal roots of Norway spruces. We utilize a nature-identical ingredient that is FEMA/GRAS-listed.

#### **PURITY**

Free from additives.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

7 recent products contain this ingredient.

#### WHY IS IT USED?

A soothing antioxidant that helps protect the stability of liquids.

# HYDROXYPROPYL GUAR HYDROXY-PROPYL TRIMONIUM CHLORIDE

# **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

A natural, water-soluble derivative of guar gum.

#### **FUNCTION**

Very mild skin conditioner.

# **ORIGIN**

Hydroxy = water soluble Propyl = 3 Guar = guar beans (*Cyamopsis tetragonolola*) Chloride = negatively charged ion (electrolyte)

#### **PURITY**

Free of additives.
Globally approved for topical use.
EWG's Skin Deep classified as overall lowest possible hazardous (1).
177 recent products contain this ingredient.

# WHY IS IT USED?

Conditions skin and hair. Works as an antistatic as well.

#### **NOTES**

This is a globally accepted, safe, natural ingredient.

# LAURYL LACTYL LACTATE

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

A sulfate-free, naturally derived cleanser. It is a clear, odorless liquid. It is NOT a sodium sulfate.

#### **FUNCTION**

Helps cleanse skin while improving moisture and softness.

# **ORIGIN**

A vegetable-based ingredient that is a product of lauryl alcohol (a reduction of coconut oil fatty acids) and lactic acid.

# **PURITY**

Free from additives.

Salt and nitrogen free.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

ECOCERT certified.

#### WHY IS IT USED?

Mild, sulfate-free cleansing.

# **NOTES**

22 recent products use this ingredient.

This ingredient is in NO way related to sodium laureth sulfate.

# PENTYLENE GLYCOL

#### **PRODUCT**

RENU Advanced Ultra Replenishing Moisturizer RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

This is a safe, colorless, odorless liquid humectant. It has antimicrobial properties.

# **FUNCTION**

This humectant attracts water and helps keep skin hydrated. Conditions skin.

#### **ORIGIN**

It can be made from coconut or sythesized as a bioidentical. Ours is pharmaceutical grade and is safely synthesized from plants.

# **PURITY**

Free of additives.

FDA approved and listed as Generally Recognized As Safe (GRAS) World Health Organization considers it as safe for use. EWG's Skin Deep classified as overall lowest possible hazardous (1). 608 recent products contain this ingredient.

# WHY IS IT USED?

Helps keep skin hydrated and smooth.

#### **NOTES**

Registered in Europe and widely used in the United States and Japan.

# **PHENOXYETHANOL**

#### **PRODUCT**

RENU Advanced Ultra Replenishing Moisturizer RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

This ingredient preserves the purity of personal care products. It has a faint rose scent.

# **FUNCTION**

Often, skincare products are kept in a bathroom, shower, or near a sink. This ingredient helps prevent contamination in hot, humid environments. Considering the risks associated with contamination, phenoxyethanol is a great choice to ensure safety.

#### **ORIGIN**

Found naturally in green tea. We use a nature-identical version of this ingredient at a very low level.

#### **PURITY**

Free from additives.

EWG's Skin Deep classified as overall low possible hazardous (3). Approved at very safe level by the European Union and Japanese government. 10,681 recent products contain this ingredient.

#### WHY IS IT USED?

Non-paraben alternative to ensure purity and safety.

# **NOTES**

Approved by Whole Foods Company (in their premium skincare line). Included as safe by the Handbook of Green Chemicals.

# POLYGLYCERYL 4 CAPRATE

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

A natural skin conditioner and emulsifier.

#### **FUNCTION**

Helps cleanse skin while improving moisture and softness.

# **ORIGIN**

Poly = many molecules (four molecules in this case)
Glyceryl = glycerin is a natural compound found in plant oils (coconut is most common)
Caprate = an ester\* from capric acid (derived from coconut oil)
Naturally occurring fats and essential oils are esters of fatty acids.

#### **PURITY**

Free from additives.

PEG and nitrogen free.

Sulfate free.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

ECOCERT and COSMOS certified.

#### WHY IS IT USED?

Mild, sulfate-free cleansing.

# **NOTES**

60 recent products use this ingredient. This ingredient is used in skincare products made for Whole Foods company.

# **SODIUM LACTATE**

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

# **DESCRIPTION**

This is a sodium salt from lactic acid found in corn or beets. It is an essential Natural Moisturizing Factor (NMF) found in healthy skin.

# **FUNCTION**

Conditions skin, exfoliates and boosts moisture.

#### **ORIGIN**

Produced by fermentation of corn or beets.

# **PURITY**

Free from additives.

Approved safe by international bodies including the EU, Environment Canada, and the Japanese government.

EWG's Skin Deep classified as overall low possible hazardous (4) due to gaps in EWG data.

#### WHY IS IT USED?

Adds essential moisture and is known to help exfoliate skin.

#### **NOTES**

FDA food additive status.

316 recent products contain this ingredient.

# TETRASODIUM GLUTAMATE DIACETATE

#### **PRODUCT**

RENU Advanced Gentle Refining Cleanser

#### **DESCRIPTION**

A biodegradable, earth-friendly alternative to phosphates.

#### **FUNCTION**

Safely softens water to improve cleansing and acts as a chelating agent that supports product stability.

#### **ORIGIN**

Derived from food-approved amino acids (L-glutamic acid, a natural and renewable raw material).

Tetra = four

Sodium = salt

Diacetate = acetic acid (a weak form of vinegar)

# **PURITY**

Free of additives.

EWG's Skin Deep classified as overall lowest possible hazardous (1).

80 recent products contain this ingredient.

#### WHY IS IT USED?

Supports purity and stability. Improves cleansing.

#### **NOTES**

Chelates play important roles in oxygen transport and in photosynthesis.
