

SKIN CARE UPGRADE COMPLETE

TRANSFORM YOUR SKIN ■

It's not another face cream. It's a skin-priming, moisturising multipurpose gel for your whole body. Don't settle for the beauty routines of yesterday. Transform the appearance of your skin, with **RENU28**[®] Revitalising Redox Gel. Skin care upgrade complete.

YOUR BODY CREATES, RENU28® REVITALISES

Skin's natural ability to renew itself declines over time. The result is visibly aging skin. RENU28® Revitalising Redox Gel is revolutionising the way we think about skin care.

Daily application of RENU28 improves the appearance of tighter, more nourished skin from head to toe.

Over 28 days, clinical tests showed visible improvements.

RENU28 has earned the coveted 5-star clinically tested seal, the highest possible commendation for safety and efficacy, from dermatological research institute Dermatest®.

RENU28 adds smoothness, evens texture, and cools skin anywhere on the body.

Individual results may vary.

**RENU28® IS
FOUNDATIONAL
SKIN TECHNOLOGY
AT ITS BEST.**

This product does not
provide sun protection.

FULL-BODY BEAUTY

ASEA's patented process produces the redox molecules in RENU28®, which is foundational skincare at its best that helps improve the healthy, youthful appearance of skin.

This smooth, all-over gel supports skin for visibly younger-looking skin and helps reduce the appearance of cellulite and wrinkles, soothes dry skin, and helps cool the body post workout.

**YOUR
SKIN,
ONLY
BETTER**

REDOX MOLECULES FOR SKINCARE

ASEA™ has created a proprietary process that no other company has. It's the basis of ASEA's unique product line--patented products based on decades of research. RENU28® is just one of ASEA's meaningfully different products. It's created with pure ingredients and is designed for your body to allow your skin to function at its best. Amazing skin begins with RENU28.

RENU28 is just one of ASEA's meaningfully different products. It's created with pure ingredients and designed to work with your body's natural processes to allow your skin to function at its best.

Good skin begins with RENU28.

BioAgilytix 
LABORATORIES
REDOX CERTIFIED

RENU28 is produced in an FDA-registered, NSF-certified facility and is certified by an independent third-party lab to contain active redox signaling molecules.

SKIN AND BODY CARE REVISITED

Pure RENU28® Revitalising Redox Gel is revolutionising the way we think about skin care.

Use RENU28 morning and evening after cleansing as step two of your RENUAdvanced™ skin care routine or anywhere on your body, any time, to prime and support areas of specific concern. Shake well before using.
